

Angela McKee

Angela has over 9 years experience in the property management industry. She grew up on construction sites with a father who owned his own air conditioning company and an uncle who was a master electrician. 9 years ago, Angela followed in her family's footsteps and opened a "Property Maintenance" company that specialized in servicing residential property managers. She earned her real estate sales associate license in 2012 and has been doing property management ever since.

Angela joined NARPM (National Association of Residential Property Managers) as soon as she started her career in property management and served on the Board as Education Chair and Affiliate Co-Chair, where she connected with other professionals and vendors in the industry. The impact of mentorship and business relationships she developed from her involvement with NARPM has impacted her skills, diligence and expertise setting her apart from the many in the property management industry.

In 2019 Angela served as NE FL NARPM Communications chair, FL State Education Co chair, NEFAR Global Business Council member.

Currently in 2020 Angela sits on multiple boards impacting her industry; NE FL NARPM Communication chair and Legislative Co chair, FL STATE NARPM Communication chair, NEFAR Global Business Council Co chair and NEFAR Legislative member

She has worked with local and foreign owners/investors over the years assisting them on the management of their properties. Commitment * Reliability * Follow Through are the CORE values of One Realty Property Management.
